**For bookings please contact the salon**

We really appreciate you coming to our salon. We understand that life gets busy and last minute things pop up. However, as the salon is very busy we really do appreciate at least 12 hours notice if you can't come in. This means we can fill your spot with someone waiting on our cancellation list. If you do cancel last minute with no valid reason or simply do not turn up for your appointment a \$50 cancellation fee will incur. Thank you for your understanding.
